## **Cautionary Statement**

Except for the statements of historical fact contained herein, certain information presented constitutes "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995. Such forward-looking statements, including but not limited to, those with respect to potential expansion of mineralization, future plans for resource estimation and exploration and potential mining method involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievement of Slam Exploration Ltd. to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. There can be no assurance that such statements will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. SLAM disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Accordingly, readers should not place undue reliance on forward-looking statements.

## **CEO & Director: Mike Taylor**

Michael Taylor, P.Geo. has served on the board since founding SLAM in 1996 and directed SLAM through the IPO stage to its current status on the TSXV. He brings 43 years of experience in Canadian exploration since earning his Bachelor of Science at UNB in 1980. Mr. Taylor was responsible for discovery the Farley Lake gold mine in Manitoba as well as several gold occurrences at Keezhik and Opikéigen Lakes, Ontario. SLAM discoveries include the Maisie, No 9, No 18 and No 22 veins at Menneval as well as recent gold discoveries at Jake Lee.

**TSX-V: SXL**

## **CFO & Director: Eugene Beukman**

Eugene Beukman has been a corporate consultant to public companies in Canada since January 1994, primarily involved in option agreements, joint ventures, acquisitions and mergers in the junior mining sector. He is a director/officer of several public companies listed on the TSXV and the CSE. Mr. Beukman graduated from Rand University of Johannesburg, South Africa, with Bachelor of Law and Bachelor of Law Honors Postgraduate degrees. Prior to 1994 in South Africa, Mr. Beukman was legal advisor to Billiton Limited. Mr. Beukman is an Advocate of the Supreme Court of South Africa.

**TSX-V: SXL**

## **Director: Brendan Purdy**

Mr. Purdy is a securities lawyer practicing in the resource, life sciences, and technology sectors. He has extensive experience with mergers and acquisitions, and other public company transactions in the junior equity markets. He earned a J.D. from the University of Ottawa after a Bachelor of Management degree from the University of Western Ontario. Mr. Purdy acted as CEO & Director of CSE listed High Hampton Holdings Corp. with a focus on acquisition and branding opportunities in the cannabis industry. Mr. Purdy helped facilitate the acquisition of CoachellaGro Corp., an operator of cannabis land in Coachella, California. Mr. Purdy was previously CEO of Enforcer Gold Corp. and has served as director of several private and public companies.

**TSX-V: SXL**

## **Director: Theo Van de Linde**

Mr. Van der Linde is a Chartered Accountant with 22 years experience in finance, reporting, regulatory requirements, equity markets and financing of publicly traded companies. He has served as CFO & Director for a number of TSX-V and CSE listed companies these past several years and has provided service to the financial, manufacturing, oil & gas, mining and retail industries. More recently, Theo has been involved with developing trends in natural resources as well as other disruptive technologies. He works or has worked on projects in South Africa, West Africa, East-Africa, Peru, United Kingdom, Sri-Lanka, the United States, Norway and Canada.
