

Awards & Recognitions

In a time when our breakthrough technologies are the foundation for life-changing products, experiences, and industries, we believe we have a significant opportunity to positively change the world. But how we do this is what truly defines us. Qualcomm has a long-standing reputation for conducting business with unquestioned integrity, being a great place to work, developing solutions for a sustainable world and much more. The awards and recognitions we obtain reflect our steadfast commitment to continue to advance on our path to achieving our 2030 sustainability vision.

The following are awards and recognitions that we have received since 2019:
